Massages

Swedish

Swedish massage is a therapeutic massage technique that focuses on relaxing muscles through kneading, friction, tapping, and long, flowing strokes in the direction of blood flow returning to the heart.

60 min **\$1500** 90 min **\$1750**

Deep tissue

This deep pressure massage will focus on knots and areas of tension, muscles and connective tissues of the body.

Personalized to your specific needs.

60 min **\$1750** 90 min **\$2000**

Relaxing

Quiet your thoughts and soothe the mind.

Increase circulation, relieve tension and promote deep restful sleep.

60 min **\$1500** 90 min **\$1750**

Immersion Therapy

ICE BATH

\$1500

People have used ice baths for centuries because of their possible therapeutic health benefits. Ice baths may help reduce muscle soreness, reduce pain, and improve mood.

HIDROMASSAGE BATHTUB

\$1000

Hydromassage is a type of massage that involves water. It may offer many of the benefits such as relaxation, easing muscle tension, and stimulating circulation.
